

## FORM-1B

(See sub-rule (1) of rule 4)

### APPLICATION FOR PERMIT FOR MINERAL RESOURCE ACTIVITY

1. Name and designation of applicant: \_\_\_\_\_
2. Whether the applicant is part of an expedition organised by the Central Government/ State Government/Statutory Body/Society/Organisation/Company/any other body: Yes      No  
(If yes, attach particulars of all members of expedition as per Annexure to this Form)
3. Brief outline of purpose of proposed activities; scientific/construction/maintenance/repair of Indian Antarctic station/any other structure/road/runway/jetty:  
\_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_
4. Description of mineral resource activities proposed to undertake and in what manner activities are essential for study/operations:  
\_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_
5. What transport, storage and final usages arrangements shall be made for samples/mineral resources once removed from Antarctica, provide details:  
\_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_
6. Provide location and name of place from where the samples/minerals shall be collected or excavated:  
\_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_
7. Type, number, weight/volume, size of the samples/mineral resources to be collected or excavated:

Geographic Location	Type of Sample	Number of Sample	Weight (grams or kg)	Volume (ml or litre)	Size (LxBXH) in cm
8. Details of equipment/machineries proposed to be used for collection or excavation:  
\_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_
9. Whether any site camp shall be established during carrying out activity:      Yes      No

If yes, provide details about the waste management plan and its implementation.

---

10. Weather impact of proposed activity on Antarctic Environment (is less than minor/minor/more than minor) and provisions for Initial Environment Evaluation/Comprehensive Environmental Evaluation have been considered?

---

11. Weather Waste disposal as per Antarctic Act has been planned, give details of Waste Management Plan

---

12. Collection/Removal of any other Sample (If, not intended, please leave this section unanswered):

Yes      No

- a. If yes, provide the purpose of sample collection (scientific study/specimen for museum/ /educational or cultural):

---

- b. Provide sample details:

Place of Sample Collection	Latitude Longitude	Type of Sample	Source of terrestrial sample collection (Lake water, marine water, soil, snow, sediment	Size (LxBxH) c.m.	Weight (grams or kg)	Volume (ml or litre)

13. What method and equipment shall be used for sample collection, provide details:

---

---

---

#### **Declaration**

**(By Permit holder)**

I \_\_\_\_\_ hereby solemnly and sincerely declare that all the information provided in Permit Application Form is true and correct to the best of my knowledge. I also understand that this is a legal obligation to abide by the provisions of the Act and failure to which may draw administrative action, legal punishment and penalty as referred to in the Indian Antarctic Act, 2022 and the rules made thereunder.
