**Corrigendum**

Date: 07 December 2021

Global Tender **NCPOR/14(109)/21** for “**FIRM QUOTATIONS FOR BUNKER / FUEL/ OIL/ LUBRICANTS**” dated 17 November 2021.

Please visit: [www.ncpor.res.in](http://www.ncpor.res.in)

Last date & Time for submission of bids: **Tuesday, 14 December 2021**, 1200 Hours (noon) Cape Town, Local Time

Firm **Purchase/Supply Order** will be placed on **Wednesday, 15 December 2021**

1. The bidding format will be in two parts **PART A** for MGO and **PART B** for JET A1 fuel, lube, coolant, grease etc. which shall be evaluated independently.

Part A (Bunker stemming for MV Vasily Golovnin)

Sr. No.	Item	QTY	Unit	Remarks
1	MGO (S<0.5%) with a maximum Sulphur content of 0.5%	1,500	MT	<b>Ex-pipeline</b> price for MV Vasily Golovnin; Port call- 20 <sup>th</sup> and 25 <sup>th</sup> December 2021

Part B (Fuel /Oil/Lubricants) for Indian Research Bases in Antarctica.

Sr. No.	Item	QTY	Unit	Remarks
1	Jet A1 (bulk quantity)	7,25,000	Litres	The fuel will have to be pumped into the bulk tanks available on board the MV Vasily Golovnin. Port call- between 20 <sup>th</sup> and 25 <sup>th</sup> December 2021  The trucks carrying the fuel should be equipped with pumps and hoses.
2	Jet A1(200 Lit Drums)	90,000 / 450	Litres/ Drums	In epicoated sealed barrels for Indian Station in Antarctica

3	Lubricant Oil 5W30 OR 5W40 OR HELIX ULTRA 5 W 30 OR equivalent (209 Lit Drums)	6,479 / 31	Litres/ Drums	for use in generator sets, vehicles & cranes at Indian Station in Antarctica. Meant for usage in sub zero temperatures upto -30°C
4	Transmission Oil 75W90 orSAE-80 OR Translube LD80W OR SPIRAX MA ORequivalent (209 Lit Drums)	836 / 4	Litres/ Drums	
5	Hydraulic Oil TELLUS T-22 OR Spin-22 OR equivalent (209 Lit Drums)	3,344 / 16	Litres/ Drums	Used as HYDRAULIC OIL FOR CRANE, works up to -40°C in sub-zero temperatures up to -40°C at Indian Station in Antarctica
6	Aero Shell Grease22 (No-1) EP-1 category or equivalent	100	Kgs	
7	Anti-Freeze Liquid Coolant Concentrate (209 Lit Drums)	1,254 / 6	Litres/ Drums	for use in vehicles & boiler at Indian Station in Antarctica
8	Petrol 95 any brand (200 Litre drums)	1,400 / 7	Litres/ Drums	for use in scooters and drilling machine at Indian Station in Antarctica
9	Starting Aid Pilot Can's (Ether, packet = 350 ml x 12	12/ 144	Packets/ Cans	
10	Castrol Brake Fluid (Dot-4)	10	Litres	
11	Advance 2T Oil (10W40)	10	Litres	

2. Port call of Expedition vessel at Cape Town: between 20<sup>th</sup> and 25<sup>th</sup> December 2021.
3. All other terms and conditions remain same.
