Id	Bid/RA Section	Seller Query/Representation	Buyer Response
1	Product/Service specification	As per Rule 2(b) of the E-Waste (Management) Rules, 2016 (G.S.R. 397(E), dated 23.03.2016) and reaffirmed in the 2022 Rules, micro enterprises (as defined under the MSMED Act, 2006) are exempt from EPR registration and e-waste certification requirements. MSME Udyam/DIC certificate serves as proof of exemption.	Exemption document as per applicable GeM GTC, to be submitted for evaluation.
2	Terms and Conditions	As per the Make in India (MII) policy and DPIIT guidelines, foreign certifications cannot be mandated if equivalent Indian standards (like BIS) exist. This ensures fair opportunity for Indian OEMs and prevents unnecessary compliance burdens. Procuring entities must prefer Indian certifications if available, promoting local manufacturing. Refer: DPIIT Order No. P-45021/2/2017-B.E.-II dated 15.06.2017. WE REQUEST YOU TO REMOVE BECAUSE BID IS UN-NECESSARILY GETTING RESTRICTED DUE TO THIS. THIS WILL LEAD TO CARTELIZATION. HENCE REQUEST YOU TO REMOVE FOREIGN CERTIFICATIONS, SINCE BIS IS SUFFICIENT AND COVERS ALL EQUIVALENT INDIAN STANDARDS	There are no foreign certifications requested as part of the tender. If the vendor is referring to the IP50 rating, this is not an international specific one.
3	Product/Service specification	As per GeM and Defence Procurement guidelines, brand names should not be mentioned in tenders unless essential for standardization or interoperability. Generic specifications must be used to ensure fair competition. Brand-specific procurement requires proper justification and approval per Rule 149 of GFR 2017 and GeM guidelines.	The specifications are not specific to any particular brand nor any brand names are mentioned in the technical specifications.
4	Scope of Supply/Service	as per gem rules, pre bid meeting is not compulsory please confirm. Also as per GEM GTC, GFR, DPM, Bid manual, etc. Pre bid meeting is always optional and not compulsory, making it mandatory is restrictive, limiting and cartel. This shall make bid cartel for local vendors. Request transparency & fairness..	Pre-Bid Meeting is not requested in the Tender document.
5	Terms and Conditions	Please mention exact size since there is a lot of discrepancy in sizes ? please mention exact size. Since GEM bid mention different size & ATC mention different size. Pls clarify	The size should be above 130 inch. The display should cover and area of 3m W x 2m H on a wall.

24	Terms and Conditions	Respected Sir, Please share your contact number for site visit to know about exact requirements.	Site visit is not possible as per tender terms
25	Terms and Conditions	Requiring a minimum of five years of BIS certification clearly appears to be a restrictive eligibility condition that may favour a particular OEM and limit fair competition. We request the department to reconsider this clause and allow valid BIS certificates without imposing an arbitrary five-year experience requirement, thereby ensuring transparency, equal opportunity, and wider participation in the tender.	Tender T&C Modified:The OEM of the offered model should have a valid BIS license for LED Displays for the past 3 years minimum with an Indian manufacturing facility and a valid factory license for the same period. The quoted model should be included in the BIS license and shall be available to be verified online through the official BIS website.
26	Bid Eligibility Criteria	Please allow 4 Years of BIS	Tender T&C Modified:The OEM of the offered model should have a valid BIS license for LED Displays for the past 3 years minimum with an Indian manufacturing facility and a valid factory license for the same period.
